The newsletter this month is quite short as you will also be receiving the Connection Newsletter. Another issue of the Connection will be sent out in the spring.

BASKETBALL season is starting! Those students in grades 6-9 interested in playing are encouraged to attend. For the coming week girls will practice Wed., Nov. 30, and the boys will practice Thurs., Dec. 1, from 3:30 – 5.00 p.m. If you are unable to attend this week, but are still interested in playing please be sure to inform Mrs. McNair so that teams can be confirmed as soon as possible. Depending on numbers we will also be looking for coaches. If you are interested please contact the office.

FUNDRAISING - RCS has been approached with a unique and simple fund raising opportunity. We will be participating in the Big Game Hunter Harvest Telephone Survey for Alberta Fish and Wildlife Division. This involves conducting short telephone interviews to survey big game hunters about their hunting efforts and success during the past season. We will be making approximately 1300 local calls and asking 3 simple questions. RCS will be paid for each survey document that is completed. The funds raised will go towards funding student field trips planned for the spring.

This is a simple initiative that should only take a few evenings to complete and can be done from the comfort of your own home. Surveys will arrive at the end of November and should be completed before Christmas. A short orientation/training session will be provided. Please contact Anita VanWaas at 844-4243 (home) or 845-8227 (work) to sign up. The more people we have making calls - the easier the project becomes.
